

# Why spend our money in trans-national partnership ?

---

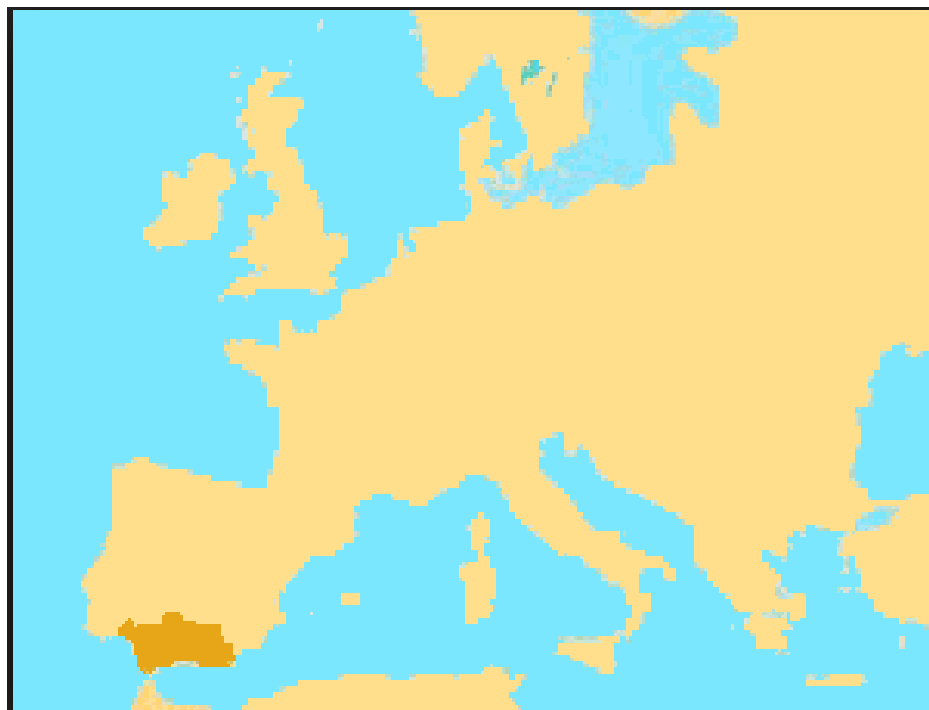

Copenhagen, 25/11/17

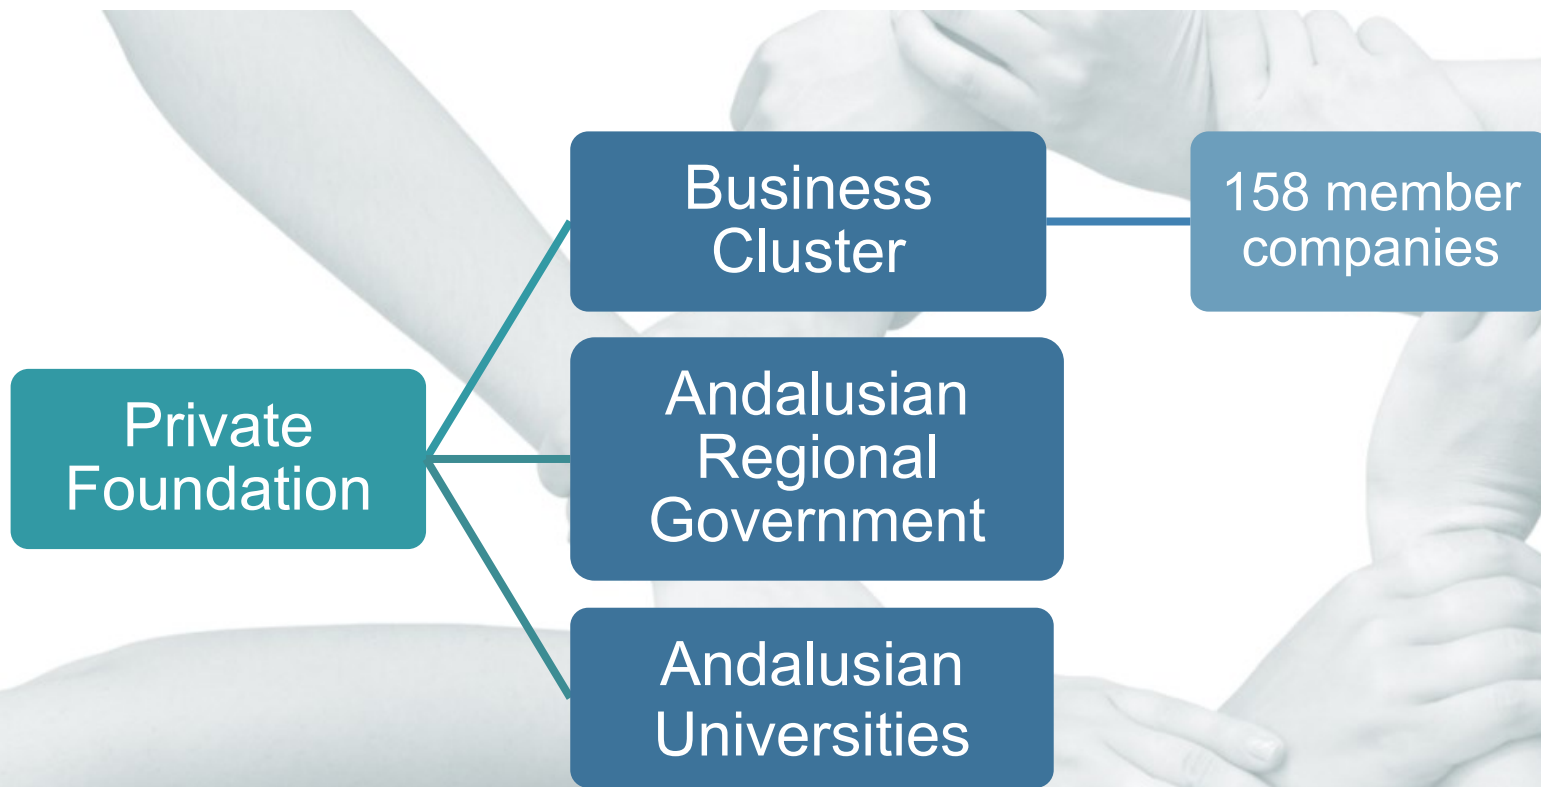

[ict-agri.eu](http://ict-agri.eu)

# What is CTA?

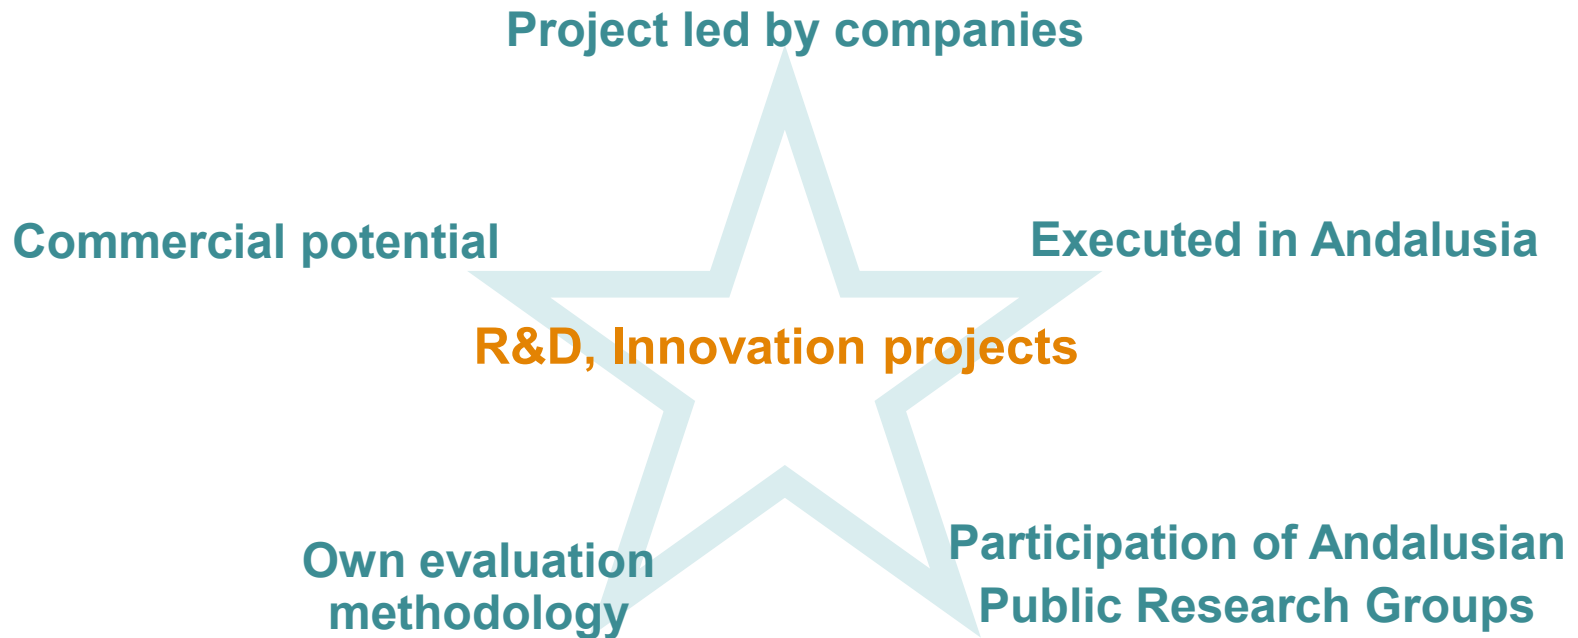

## Public-Private Partnership – Regional Funding Agency

# What is CTA?

# Project funding with own resources/funds

-  Aerospace and Production Processes
-  Agrifood
-  Biotechnology
-  Energy and the Environment
-  Construction and Civil Engineering
-  ICT

## Why spend our money in trans-national partnership ?

- |   |   |
|---|---|
| 1 | Giving to our activities European dimension, beyond our regional dimension (trans-national calls and joint calls) |
| 2 | Strengthening our position and confidence towards our regional government   |
| 3 | Learning “european” calls mechanism   |

## Why spend our money in trans-national partnership ?

4	Defending our regional interests and challenges in the SRA
5	Enlarging our network
6	Strengthening our Regional Smart Specialization Strategy

## Why spend our money in trans-national partnership ?

- 1 Be part of trans-national consortium
- 2 Learning trans-national call approach
- 3 Gaining visibility in European innovation system

## Why spend our money in trans-national partnership ?

- |   |  |
|---|--|
| 4 | Enlarging their network                    |
| 5 | Getting used to European projects dynamics |
| 6 | Receiving advice from their funding agency |

To improve

**Reduce approval terms**

**Equalize national fund commitments**

**Strengthen Era Net “label”**

**Increase visibility of Strategic Research Agenda**
